# The Glenda Gooch House

The Glenda Gooch House, founded in 2008, is a 501(c)(3) volunteer organization providing free accommodations to families with loved ones who are hospitalized. The House was created in memory of Glenda Gooch, a native of Blairsville, Georgia, who was the recipient of a heart transplant at age 8 and who passed away from heart failure in early 2008 at the age of 22. Glenda's spirit and courage inspired the joint efforts of a loving family and community to create this special home to her honor. The Glenda Gooch House is supported and operated solely by volunteers and private contributions.

## What have we accomplished?

- Purchased, renovated and fully furnished a 4-bedroom, 2-bath home that is handicap-accessible and located just a short walk or drive from Union General Hospital.
- Provided free accommodations to over 90 families through April 2010, whose loved ones were patients at Union General Hospital or Union County Nursing Home.
- Offer accommodations for guests, who once approved, may stay at any time, at no cost, subject to availability.
